Principal’s Report

I was advised yesterday by the NSW Department of Education and Training that as part of the Primary Schools of the 21st Century program they are planning to nominate to the Commonwealth Government a new School Hall and a Canteen. This is very exciting news and it is possible that the works could commence this year. It will depend on whether our nominations comply with the Building the Education Revolution (BER) guidelines and if our nominations when accumulated are within your \$2 500 000 indicative funding cap. Yesterday we held our 2nd Fete Meeting and I thank the people who were able to attend and contribute to the discussion. As a group we decided that these building works would seriously disrupt our ability to conduct a fete. Planning for the fete has been suspended while the NSWDET determines the siting of the Hall and Canteen. I look forward to keeping you updated on this exciting news.

Thank you to the P&C and the Fardoulis family who generously donated Easter Eggs for our celebrations today.

I hope you and your family have a restful Easter break and thank you for the many different ways you support our school by enhancing the learning opportunities for students.

Thank you to Miss Braithwaite for the professional and the outstanding support she has offered to K-1 students this term and we all wish her well at her next school. Mrs Costanzo has extended her leave and we welcome Miss Jessica Murray to our staff in Term 2.

Australian Red Cross – Blood Service

Due to the long-time support of Shire residents, The Shire Blood Donor Centre has recently been completed for the collection of Whole Blood, Plasma and Platelets. The Donor Centre has been purpose built to provide donors with the convenience of a permanent location to donate blood and save lives. The new centre is located at 29 Kiora Road, Miranda.

A special 3 day Easter opening has been set at the Shire Blood Donor Centre to help assist with the demand at Easter. Over three days, the Donor Centre will need 150 donations. It is imperative there is no shortfall in our collections, as many people rely on these donations for their quality of life. Opening times over the Easter weekend are:

Thu 9 April – 1.00pm – 8.00pm

Sat 11 April – 10am – 3.00pm

Mon 13 April – 10am – 3.00pm

Best Start

The Best Start Assessment process allowed teachers to look at children’s early reading and writing skills, their ability to communicate with others, and how they recognise and work with numbers, groups and patterns. Today students who completed the Best Start Assessment will receive information about what their child’s teacher has learned about their child. It will include some ideas for how parents can assist their learning at home..

Cross Country Carnival

The Cross Country Carnival will be held on Wednesday 6th May. This Carnival is for all student in Years 3-6 and for students in Year 2 who turn 8 in 2009 who would like to participate. A note will be sent home with more information in Term 2.

Sport Uniform

Please note that girls are permitted to wear either red pleated sport skirt (\$20.50 purchased from Claudines) or red knitted shorts (\$18.70 purchases from school).

Lost and Found

Have you lost keys, rings, bracelets or watches? Please see the office as there is quite a lot of lost property not yet claimed. The clothing bin is also full of hats, jumpers etc. if not claimed they will be placed in the clothing pool.
